Medway Business Council

The MBC is a non-profit organization open to any person owning, operating or controlling a gainful business or profession. Through the efforts of several concerned business people, the Medway Business Council was formed in 1979 to promote and build a healthy business community. The prosperity of any business community is a vital part of the overall well being of this community as a whole.

Our present membership represents a diverse cross-section of large and small businesses including manufacturers, wholesalers, retailers, construction and trade, financial service companies, food and beverage establishments, medical and other professionals.

Objectives

- To offer direct involvement on the local and state level in matters that benefit and affect the business owners and residents in the town of Medway.
- To assist local businesses in the opportunity of promoting and nurturing their businesses while networking, exchanging ideas and building relationships within our growing community.
- To encourage members to exchange ideas and practices to assist in perfecting and improving each business.

Present and Future Activities

Discuss on-going zoning and planning issues with Medway's Industrial Development Commission, Selectmen and Planning Boards.

- Route 109 construction for sidewalks along commercial district.
- Expand communication between local businesses regarding important town issues.
- Increased support for Medway's Christmas parade.
- Award two annual scholarships to Medway High School graduates.

Past Accomplishments

- The reconstruction and lighting renovations along Route 109.
- Water installation at the Alder Street Industrial Complex.
- The creation of Gamewell Road.
- The broadening of Medway's industrial base.
